DETAILED ACTION

1. As per decision by the Board of Patent Appeals and Interferences, the 103 rejections over Randell in view of Teschler was reversed.

Examiner's Amendment

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Brian Harris, attorney for i2 Technologies on 11/22/05.

The application has been amended as follows, as per the claims:

Claim 2 is cancelled.

Allowable Subject Matter

3. Claims 1,5,15,20, and 48 are allowable.
4. The following is an examiner's statement of reasons for allowance, as per decision by the Board of Patent Appeals and Interferences:

As per Claim 1.

The prior art of record, specifically Randell in view of Teschler, do not disclose or fairly teach a set of predefined, executable software functions.

As per Claims 5, 48.

The prior art of record, specifically Randell in view of Teschler, do not disclose or fairly teach:

automatically transmitting the preliminary collaboration to a second participant'
automatically transmitting the response of the second participant to the first participant;
receiving a response to the preliminary collaboration from the second participant;

the final collaboration based on the preliminary collaboration and optimized for the first and second enterprises.

As per Claim 15.

The prior art of record, specifically Randell in view of Teschler, do not disclose or fairly teach a final collaboration approved by first, second and third enterprises.

As per Claim 20.

The prior art of record, specifically Randell in view of Teschler, do not disclose or fairly teach a computer implemented process operable to receive a first predefined set of data having been collected in response to an automatic query of the first node for the first set of data; and to receive a second predefined set of data having been collected in response to an automatic query of the second node for a second set of data.

The claims that depend on the above allowable claims are allowable for the same reasons.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
